

Venue Technology Manager (f/m/d)

By hosting the European Championships Munich 2022, the Bavarian state capital will welcome no less than the biggest sporting event since the Olympic Games 1972. On schedule for the 50-year celebrations, Munich will once more be in the public eye, turning into a hot spot for sport fans and many others.

From 11 to 21 August 2022, more than 4,400 elite athletes will compete for medals in nine Olympic sports: Athletics, Beach Volleyball, Canoe Sprint, Cycling, Gymnastics, Rowing, Sport Climbing, Table Tennis, and Triathlon.

The European Championships will hence be another milestone in the impressive heritage of the Munich Olympic Park and raise the bar for future events.

The European Championships in Munich also offer you a unique opportunity to use your talents and develop yourself.

#Munich2022 #EC2022

You are a professional in IT, Technology and Venue Technology
and would like to become part of the European Championship team as soon as possible?
Then you are exactly the right person to join us as an experienced
Venue Technology Manager (f/m/d)
to support!

YOUR TASKS WILL BE

- # Technical coordination and management of venues, events and sports competitions
- # Detailed design of the overlay plans for the venues
- # Coordination with other functional areas (FAs)
- # Allocate equipment and develop allocation, management and recovery plans for each venue
- # Developing detailed plans for the delivery and operation of the technology at the venues
- # Preparation of an overall work programme for the respective venues
- # Creation of ongoing progress reports

- # Identification and handling of risks and problems, deviations and changes in scope
- # Budget management within a design-to-cost approach for effective and efficient operations
- # Transfer of Know-How (ToK)
- # Ensuring balanced service levels
- # operational tasks during the event as Duty Venue Technology Manager

YOUR QUALIFICATIONS AND EXPERIENCES

- # A completed technical degree or comparable training
- # several years of experience in the planning, organisation and implementation of sports events
- # in-depth experience in IT, technology and above all venue technology
- # Experience in budget management
- # High degree of flexibility and commitment
- # Experience in project management of complex projects with many stakeholders
- # Friendly and open manner, ability to work in a team and interest in sports
- # Excellent organizational skills
- # Very good knowledge of MS Office and Office 365 and a number of other technology programs
- # Enjoyment of working independently
- # German and English language skills

THAT'S WHAT YOU CAN EXPECT FROM US

- # A full-time position within the European Championships project, which is limited until autumn 2022
- # A team that combines professionalism, cohesion and the joy of sport
- # Promotion of equal opportunities for all employees - regardless of cultural and social background, age, religion, ideology, disability or sexual identity
- # Severely disabled applicants are given preference if they are equally qualified, taking into account all circumstances of the individual case

GET THE SPIRIT AND BECOME PART OF OUR TEAM
